

FORM FOR QUARTERLY CERTIFICATION
SUSPENSION OF THE ANTIDUMPING DUTY INVESTIGATION
ON FRESH TOMATOES FROM MEXICO

Not later than 30 days after each quarter, each signatory will submit the following written statement to the U.S. Department of Commerce certifying that all sales during the most recently completed quarter were at net prices (after rebates, backbilling, discounts for quality and other claims) at or above the reference price and were not part of or related to any act or practice which would have the effect of holding the real price of the fresh tomatoes being sold (e.g., a bundling arrangement, discounts/free goods/financing package, swap, or other exchange). This is the form that signatories to the Agreement should use to submit their quarterly certification to the U.S. Department of Commerce.
